This is because the phrase "crouching tiger, hidden dragon" in Chinese is an old idiom, which should rather be understood by its metaphorical meaning instead of interpreting it literally, as the joke teller did.

Globalizing the Locality: A Cultural Comparison of Ang Lee

It was a decently enjoyable movie, i probably would have enjoyed it more if it didn't have the crouching tiger, hidden dragon tag to it (as it raised expectations) Problems i had with it were that it was rather short, there was almost no character development, the story line was quite clichéd and the fight scenes didn't seem as fluid as the original, the musical score wasn't nearly as ...

While the crouching tiger (Sertoli cell nodule) is readily identified, the invasive seminoma camouflaged by lymphocytes and Leydig cells could represent the hidden dragon that may seriously burn the fingers of an

unwary pathologist. Cryptorchidism is associated with an increased incidence of both Sertoli cell nodules and germ cell tumours so this dual pathology is not coincidental.
