## **Lattice Cryptography for the Internet**

Foreword This is a set of lecture notes on cryptography compiled for 6.87s, a one week long course on cryptography taught at MIT by Shai, Goldwasser and Mihir Bellare in the summers of 1996{2002, 2004, 2005 and 2008.

## **Lecture Notes on Cryptography - Home | Computer Science**

Cryptography and encryption have been used for secure communication for thousands of years. Throughout history, military communication has had the greatest influence on encryption and the advancements thereof. The need for secure commercial and private communication has been led by the Information Age, which began in the 1980's. Although the Internet had been invented in the late 1960's, it ...
