Adolescent Romantic Relationships by Sarah Sorensen July 2007 Young people spend a great deal of time thinking about, talking about, and being in romantic relationships (Furman, 2002), yet adults typically dismiss adolescent dating relationships as superficial. Young people do not agree: half of all teens report having been in a dating relationship and nearly one-third of all teens said they ...

This chapter cannot attempt to address the vast area of how technology changes the ways in which we interact in all of our relationships, but rather will focus on the influence of technology and the Internet on our romantic relationships, in particular how we find those relationships through online dating.

### **Romantic Relationships and Online Dating | SpringerLink**

Romantic relationships occupy a major role in the lives of most young adults (Paul & White, 1990) and those perceived as satisfying are believed to promote emotional well-being and physical health (Berscheid, 1999).
