Thanks for your reply. I acknowledge that my reply to your post was about your title and not so much about the content. When I got here, it turned out I was already aware of the content, and so my focus turned to how you got me here, and how you are trying to influence readers with this post, and your blog in general.

In Part 1 of this series, I talked about why the basic premise of the acid-alkaline theory is flawed, and I showed that the evidence doesn't support the idea that a net acid-forming diet is harmful to bone health. Now I want to look at the effect of dietary acid load on other health conditions. Can the acidity or alkalinity of your diet ...
