

diagnostic medical sonography diagnostic pdf

The Diagnostic Medical Sonography program at Temple College is designed to prepare students for entry-level positions. The program consists of both didactic and practical experiences that develop the individual's potential to provide diagnostic-quality sonograms.

Diagnostic Medical Sonography at Temple College

The Abdomen (AB) examination is three hours and contains 170 multiple-choice questions, which include hotspot questions. The hotspot questions are Advanced Item Type questions that assess and measure your practical sonography skills.
