This paper is the first in a series of short pieces from Demos concerning the dynamics of social exclusion and the relationship between individual instances of hostility towards people of color in the United States and how that hostility is powered by our policy choices.

Social Exclusion: The Decisions and Dynamics that Drive

Despite the decades that have passed since the beginning of the civil rights movement, racism is still a major issue in America. We still see organized hate groups, news stories of racial slurs and attacks, and examples that we observe in our everyday lives. So, what should social workers and the
