Soviet women played an important role in World War II (whose Eastern Front was known as the Great Patriotic War in the Soviet Union). While most toiled in industry, transport, agriculture and other civilian roles, working double shifts to free up enlisted men to fight and increase military production, a sizable number of women served in the army.

Soviet women in World War II - Wikipedia

Current publications are available in PDF format. Each publication information page includes a description, edition details, revision status and, for some titles, effective dates.
