Historic Downtown Salt Lake City Walking Tour

Natural History Museum of Utah o Great Salt Lake is divided into two parts by the Southern Pacific Transportation Co. (SPTC) causeway. That part north of the causeway and west of Promontory Mountains is called the north arm, and that to the south of the causeway is called the south arm. o Bear River Bay, although north of the railroad, is considered part of the south arm of the lake. The south ...

Great Salt Lake FAQ - Natural History Museum of Utah

The Great Salt Lake is the major remnant of Lake Bonneville, a large freshwater lake of the Pleistocene era (75,000-7,250 B.C.) that occupied much of western Utah. The lake occupies one of the basins of the Great Basin, and is located at the western margin of the Wasatch Mountains of the Rocky Mountain Range.

Great Salt Lake - historytogo.utah.gov

The Great Salt Lake, located in the northern part of the U.S. state of Utah, is the largest salt water lake in the Western Hemisphere, and the eighth-largest terminal lake in the world. In an average year the lake covers an area of around 1,700 square miles (4,400 km²), [2] but the lake's size fluctuates substantially due to its shallowness.

Salt Lake County History2 - slco.org

Even today, the history of salt touches our daily lives. The word "salary" was derived from the word "salt." Salt was highly valued and its production was legally restricted in ancient times, so it was historically used as a method of trade and currency. The word "salad" also originated from "salt," and began with the early Romans salting their leafy greens and vegetables ...

History of Real Salt Lake - Wikipedia

Great Salt Lake, Utah Introduction Great Salt Lake, the shrunken remnant of prehistoric Lake Bonneville, has no outlet. Dis-solved salts accumulate in the lake by evapora-tion. Salinity south of the causeway has ranged from 6 percent to 27 percent over a period of 22 years (2 to 7 times saltier than the ocean). The high salinity supports a mineral industry that extracts about 2 million tons of ...
