

introduction to econometrics maddala pdf

Introduction to Econometrics G.S. Maddala PDF Quote: Introduction to Econometrics has been significantly revised to include new developments in the field. The previous editions of this text were renowned for Maddala's clear exposition and the presentation of concepts in an easily accessible manner. Features:

Introduction to Econometrics G.S. Maddala PDF - fiv4hlhj

Maddala's introductory text was extremely helpful at going over most basic issues in econometrics, particularly concerning OLS and the relaxation of the basic assumptions. It is a quite theoretical text that works mostly on the manipulation and effects of certain assumptions on the various formulae and distributions.
